

# *Your Check is Welcome...*

## Returned Check Policy

**Should your check be returned, it will be subject to electronic redeposit without further notice. Recovery fees will be assessed on all returned checks and may be debited from your checking account electronically or by way of paper draft.**

You understand and agree that, by presenting a check as payment for any transaction(s) in this place of business, you are entering into a contractual agreement that obligates you and holds you responsible for all penalties, costs, and returned incidental damages allowed under law, but not limited to, return charges, interest, collection costs, legal expenses, attorney fees, and expenses incidental to the face value of any check that is returned as non-payable.
